Re: Civil Action No. 07-82 GMS

BOOTE VS. CORRECTIONAL MEDICAL SERVICE ET AL.

After the Medical Department was informed of me filing a law-suit, I've been threatened by Dr. Dale Rogers (who has been promoted to Medical Director) Nurse Quora Neal, Nurse Rebecca Vilet and other CMS-staff. On the 13<sup>th</sup> Day of Feb 2007, Nurse Neal and Dr. Rogers informed me that - since I wish to sue, they would "fix-my Ass" and Nurse Neal & Vilet, had the Building Sgt. Remove all medication from my quarters, they took my Nitro-Pill's (which I should have on my person at all time since I've had 3 Heart attacks) and told me that as long as I was filing suits, they would see to it that I suffer (Direct quote), Although I have fragments (from being shot) in my head and face (Right eye shot out) the Dr. Rogers & Nurse's refuse to allow me "Pain-opp's" etc for the

Constantly pain although I was prescribed the pain-off, Rogers, Vilet & Neal flat out lied by saying that I HAD ABUSED my medication, This was SAID so that they would cover themselves. TODAY I was Told that "Nigger you will either drop your complaints against DR. Rogers (OR) you will Have more problems than you can Handle"...

the Captain over the grievance Committee and CMS-Supervisor - Refuses to listen to the inmates and - Neal & Vilet Told me personally that "if I have surgery - I would DIE on the table" and - if I had a Heart-attack they would NOT assist me.

This letter is to plea with you to please issue an ORDER - telling CMS & its STAFF to Stop threatening and Harassing me, To issue my "Nitro and Pain off Pills", This is my 3<sup>rd</sup> letter to you, as of this date I have received NO acknowledgement that you received my letters. Will you please, I plea with you, please acknowledge the receipt of this letter.

Respectfully,
